

AML Risk: A

Research Report: laynes limited

Layne's Chicken Fingers is a Texas-based fast-casual restaurant franchise specializing in chicken fingers, sandwiches, and house-made sauces. Founded in 1994, the company has grown from a small operation into a franchise with a scalable business model. As of early 2025, Layne's operates 24 locations and plans to expand to 50 by the end of the year. The franchise emphasizes operational efficiency, customer service, and community ties, with a focus on maintaining brand integrity through selective franchise partnerships. Its headquarters is located in Frisco, Texas, and the company is led by CEO Garrett Reed and COO Samir Wattar, among others. Layne's has gained recognition for its innovative restaurant designs and strategic growth in the competitive fast-food chicken market [1][8][10]. No negative news related to the specified keywords (e.g., arrest, fraud, money laundering, etc.) was found regarding Layne's Chicken Fingers or its associated entities in the search results provided.
